Been here two weeks, great surf, food, and people. Only bad thing is having to leave.

We have to leave today but what a good time. Waves, weather, and people, so good to see them all again. Much thanks to our hosts Heidi, Greg, and my buddy Jackson. Hope to see you all again very soon.

Gracias Heidi and Greg. This place is almost as nice as you guys are. You probably have the best outdoor shower and breakfast south of the border.

Muchiiiiisimas gracias. Thanks for making your house feel so much like home. This place truly has an "always Sunday" feel to it, especially with 4-3-2-1 (bacon, fried eggs, toast, coffee), celebrating Jackson's 5<sup>th</sup> birthday, snowball fights and PSP. And of course, the sick surfing and breathtaking jungle environment. Pura Vida!!!

Thanks Heidi, Greg, and Jackson. You are great hosts and your house is beautiful. We were here two weeks and surfed everyday. Had a few BIG days on the point, what a blast. See you soon.

Thank you for a wonderful, relaxing vacation in Pavones. Your home is a true heaven for peace and quiet. The surf was great and I'm happy I did get to boogie board everyday. Great breakfast and yummy pizza. You guys are wonderful hosts.
